The diagram consists of a light gray grid background. On the left, a red rectangular box is drawn, spanning approximately 10 grid units in width and 10 grid units in height. To the right of this box is a blue heatmap-like grid, also 10 units wide and 10 units high. The colors in the heatmap range from light blue to dark blue, with darker shades concentrated in the center and lighter shades towards the edges. The text 'High DPI preview' is at the top left, 'fine text and hairline grid sample' is below it, and 'scale aware cache key' is to the left of the red box.
